

DEMOLITION PERMIT APPLICATION GENERAL INFORMATION

A separate Demolition Permit is required for the removal of each building or structure in the City of Weatherford. Demolition permits for structures do not give approval to remove any trees, grading or site development. Separate city approvals and permit is required for any tree removal, grading or site development. When demolishing any structure, the entire structure along with foundations/slabs and all debris must be removed from the site.

Fees: Residential - \$50.00

Commercial- \$150.00

Please submit the following for permit approval:

1. Demolition Application (*Must Include Anticipated Start Date*)
2. Request to Remove Utilities from Weatherford Electric & Water
3. Proof of Ownership (*Tax Certificate from the Parker County Appraisal District*)
4. Asbestos Report (*If a commercial building OR more than one dwelling within 660' of each other*)
5. Two copies of site plan/survey with buildings

Time Limits: Residential Demolition Permits are valid for **30 days** and you must complete the demolition and remove all debris within **30 days**. Commercial demolition permits are good for **90 days** and you must complete the demolition and remove all debris within **90 days**.

Commercial Structures require an asbestos survey performed in accordance with Texas Asbestos Health Protection Rules (TAHPR) and the National Emission Standards for Hazardous Air Pollutants (NESHAP) prior to a renovation/demolition permit being issued by the City of Weatherford.

****PLEASE NOTE:** Demolition Permits cannot be released until all utilities have been disconnected and removed from structure. If services other than City of Weatherford water or electric are used, you are responsible for contacting those companies and making arrangements for disconnection. The other Utility Service Companies contacts are: **Texas Gas at 817-594-2722, TXU at 800-242-9113, Tri-County Electric at 817-444-3201.**

The review period is five (5) business days from the day this form is submitted to the Development and Neighborhood Services Department. This time is allowed to verify utilities have been disconnected and document the structure that is being demolished.

****CAUTION:**

1. Property owners are responsible for the protection of the water and sewer taps. Any damage to the water or sewer taps will be repaired at the property owner's expense.
2. Property owner must protect sewer tap against infiltration of storm water and/or dirt.

COMMERCIAL DEMOLITION OR MORE THAN ONE DWELLING (< 660' APART)

Before the City of Weatherford can issue a permit for any commercial demolition the Texas Department of Health requires an Asbestos Survey be performed by a licensed Asbestos Inspector. If you are demolishing more than one residential home and they are within 660 feet of each other they both require to provide this asbestos report.

****ASBESTOS SURVEY**** Was an asbestos survey performed in accordance with Texas Asbestos Health Protection Rules (TAHPR) and the National Emission Standards for Hazardous Air Pollutants (NESHAP)?

YES NO

Date of Survey: TDH Inspector License No.:

If the answer is NO, then as the owner/operator of the renovation/demolition site, I understand that it is my responsibility to have this asbestos survey conducted in accordance with the Texas Asbestos Health Protection Rules (TAHPR) and National Emission Standards for Hazardous Air Pollutants (NESHAP) prior to a renovation/demolition permit being issued by the City of Weatherford.

Structures with No Utilities Only: I hereby certify that no utilities are connected to or located nearby the subject accessory building to be demolished.
