

Fire Hydrant Meters

Deposit requirement: \$3000.00 (A perfect letter of credit can be used if they have had a fire hydrant meter before)

Commercial customers that request fire hydrant meters must provide The City of Weatherford with a Tax Id # and a copy of the business documents. An authorized signer of the business has to establish the account in the business name and provide a copy of their driver's license and personal information. Meters can be picked up at the City of Weatherford water department located at (address of service center)

Monthly readings are required to be called in to the utility billing department at 817-598-4225. You must have the meter number, the business name the meter is in and the current meter reading. If the monthly reading is not called in, the City will charge zero consumption and bill them \$250 for failure to call the meter reading in to the customer service department. If a monthly reading is missed again, the account will be closed, the final bill will be deducted from the deposit and any remaining balance returned to the customer. The meter must be returned to the City of Weatherford. Reopening of an account once closed will require a new deposit be placed with the City.

Quarterly inspections are required on all fire hydrant meters and associated backflow prevention assemblies. If an inspection is missed, the account will be billed a fine of \$100.00. If a second inspection is missed, the account will be billed a fine of \$100.00, the account will be closed and the meter must be returned to the City of Weatherford.

Missing or stolen meters must be reported to the police department. The customer will then be charged the cost of a new meter.
