

# Grease Interceptor Sizing Worksheet

COMPANY		CALCULATED BY		DATE
PROJECT		LOCATION		

**To determine the correct size of grease interceptor, please follow these simple steps or provide engineered design.**

What fixtures will be connected to the grease interceptor? Total fixture units provided are per plumbing code.

Step 1

Step 2

Step 3

Step 4

Required Size

<b>1</b>	Dishwasher <input type="checkbox"/> How many = _____ x 8 FU's = _____	Notes:														
	Grease Hood <input type="checkbox"/> How many = _____ x 3 FU's = _____															
	Floor Trough <input type="checkbox"/> How many = _____ x 4 FU's = _____															
	Mop Sink <input type="checkbox"/> How many = _____ x 3 FU's = _____															
	3 Comp Sink <input type="checkbox"/> How many = _____ x 9 FU's = _____															
	Floor Drains <input type="checkbox"/> How many = _____ x 2 FU's = _____															
	Sink/Disposal <input type="checkbox"/> How many = _____ x 4 FU's = _____															
Other _____ <input type="checkbox"/> How many = _____ x 4 FU's = _____																
<b>2</b>	TOTAL OF FIXTURE UNITS PER <b>STEP 1</b> = _____	Notes:														
<b>3</b>	<table border="1" style="width: 100%; text-align: center;"> <tr> <td>Total Fixture Units</td> <td>X</td> <td>3 Gallons Per Minute</td> <td>X</td> <td>17 Minute Retention</td> <td>=</td> <td>Minimum Gallon Tank</td> </tr> <tr> <td>_____</td> <td>X</td> <td>_____</td> <td>X</td> <td>_____</td> <td>=</td> <td>_____</td> </tr> </table>	Total Fixture Units	X	3 Gallons Per Minute	X	17 Minute Retention	=	Minimum Gallon Tank	_____	X	_____	X	_____	=	_____	Notes:
	Total Fixture Units	X	3 Gallons Per Minute	X	17 Minute Retention	=	Minimum Gallon Tank									
_____	X	_____	X	_____	=	_____										
<b>4</b>	CHOOSE AVAILABLE SIZE TANK _____ Gallons	Notes:														
	<b>350 – 750 GALLON TWO –COMPARTMENTS</b> _____															
	<b>OVER 750 GALLON THREE – COMPARTMENTS</b> _____															
<b>5</b>	<b>Permit Documents:</b> _____ <i>check</i> ✓	Notes:														
	Provide site plan to recognized scale showing location															
	Provide completed plumbing permit application & fees															
	Provide contractor acknowledgement sheet															
	Provide manufacture's information on interceptor
