This is the second volume in a series of cemetery readings prepared by the Parker County Genealogical Society. This is an on-going project of the Society.

In the 1960sand 1970s Evlyn Broumley, Ila Cooper, Sue and Harold Davidson, Donelle Doss, Fauneil Dunn, Norma Grammar, Charles Hawkins, John Kendrick, Sue McDonald, Lorene Osborn, Grace Smith, Lowell Sullivan, Mamie Terry, Irene Tuggle, Myrtle Wallace, Royanna West, Mattie Wolfenbuger, and many others recorded their readings of the cemeteries of Parker County. It is from their work that the present committee started the updates and corrections.

Many people have contributed in various ways to the publication of this volume. Larry Walkington created the cover. James Plowman enhanced the Hillcrest map. The largest part of the City of Weatherford cemeteries were recorded by Bill Bedinger and Kaye Vernon using some data from previous readings. Helping Kaye were her husband, Don, and her mother, sisters, and niece, Virginia Wallace, Bettye & Shannon McCauley, and Sharon Kimsey. Melba Reidel was responsible for proofreading while Bel Wise did the formatting and putting it all together. Every few days we receive additional information and new burials. It became necessary to have a cut off date for additions and corrections. We will publish future corrections in the quarterly publication, TRAILS WEST, and add them to the copy of this volume in the Weatherford Public Library.

The information in this volume has been obtained not only from the markers, but from family records, obituaries, death certificates, family histories and other sources. Some of the stones read in the 1960s and 1970s are now missing or are no longer readable. We have used the enhancements from previous readings without verification although we could not find all the stones listed in these previous readings. There are other graves in the city cemeteries that are unmarked and unknown to us.

We have, as far as possible, used standard abbreviations. A list of some of the abbreviations we used in this volume follow:

}DS	double stone	d/	daughter of	b	born
}TS	triple stone	s/	son of	d	died
}QS	quadruple stone	Inf/	Infant of	m	married
h/	husband of	Sis/	sister of	unm	unmarked
w/	wife of	Bro/	brother of	Obit	obituary
m/	mother of	bur	buried	FHM	funeral home marker
f/	father of				

Land for Curtis Cemetery, 2 miles from the courthouse, was donated by John Warren Curtis in 1856. Earliest date on a stone is for John F. Gibson 18 July 1856

- 22 March 1859. Hillcrest Cemetery, adjacent to Curtis Cemetery, was established by the County in 1936 "for a cemetery for the colored people of Weatherford and Parker County" because "all the land in City Greenwood Cemetery had been taken." City Greenwood Cemetery, the first cemetery inside Weatherford city limits, was laid out in 1863 according to H.Smythe's history. East Greenwood Cemetery, east of City Greenwood, was opened by W. A. White and Associates in 1937. Oakland Cemetery was established by the Cotten-Bratton under the direction of Fred Rider Cotton.

We want to thank everyone who contributed support and knowledge to this project and to those who made this volume a reality.
