WHEREAS, the City of Weatherford, Texas (the "City"), is a home rule city acting under its charter adopted by the electorate pursuant to Article XI, Section 5 of the Texas Constitution and Chapter 9 of the Local Government Code; and

WHEREAS, the City Council of the City ("City Council") recognizes the City's proximity to tourist destinations in the Dallas-Fort Worth Metroplex and the City's own desirability as a destination; and

WHEREAS, in the City and elsewhere, the increase in the number of persons or entities desiring to rent their residential properties has led to the proliferation of transient and vacation rental uses within neighborhoods previously planned, approved, and constructed for solely residential use; and

WHEREAS, the use of residential properties by individuals for short periods of time may negatively impact the original residential character of neighborhoods that was an inducement for owners to buy their homes in such neighborhood due, in part, to substituting permanent residents with transient visitors and thereby reducing or eliminating common goals, cohesiveness, communication, and accountability between permanent residents; and

WHEREAS, the regulation of the use and operation of such "short-term rental" property is intended to prevent the further erosion of pre-existing and stable neighborhoods, and further advance the City Council's commitment to preserving the residential character of its neighborhoods; and

WHEREAS, the rise of substitute land uses for residential property contributes to the shortage of income-appropriate homes for both homeowners and long-term renters; and

WHEREAS, the proliferation of unregulated short-term rentals presents fire and structural safety concerns that are not applicable to structures used for permanent occupancy but are deemed necessary to accommodate guests who, as visitors to the City, will rely on City emergency services in the event of a crisis; and

WHEREAS, the City has observed an increase in the number of properties operating as short-term rentals and seeks to proactively address residents' concerns with such increase while balancing the rights of private property owners to continue operating their short-term rental properties; and

WHEREAS, the purpose of the regulations set forth herein is to provide a procedure to allow the rental of private residences to visitors on a short term basis, while ensuring that such rental use does not cause adverse impacts to residential neighborhoods due to the intensive nature of the use creating excessive traffic, noise, density, and other adverse effects, and additionally to ensure that the number of occupants within such rental units do not exceed the design capacity of the structure causing health and safety concerns, and that minimum health and safety standards are maintained in such units to protect visitors from unsafe or unsanitary conditions; and

WHEREAS, the City Council has reviewed data and information from other cities' experiences with short-term rentals and used this data and information to develop a regulatory structure suitable for the circumstances within the City; and

WHEREAS, the City Council finds and determines that regulations related to short-term rental uses should be adopted to define short-term rentals, establish standards for operation and appropriate review processes applicable to short-term rentals, and establish commensurate permitting and inspection fees; and

WHEREAS, the Planning and Zoning Commission of the City held a public hearing on January 8th, 2024, and the City Council held a public hearing on January 28th, 2024, with respect to the short-term rental regulations described herein; and

WHEREAS, the City Council finds that regulating the short-term rental of residential property as provided herein is necessary for promoting the health, safety, and welfare of the general public, ensuring consistency in land uses and development, and protecting the rights of property owners, residents, and visitors in the City.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEATHERFORD, TEXAS, THAT:

- (d) A permit to operate a short-term rental is not transferable to another owner, operator, or location.
- (e) All permits issued under this article constitute public information, subject to the terms of the Public Information Act. No new permit may be sought for the subject property for a period of twelve (12) months following a denial or revocation pursuant to this section.
- (b) If a property is the subject of three (3) or more violations of federal law, state law, or the other provisions of the City Code outside of this article within the previous twenty four (24)-month period, the planning director may revoke an existing permit; may deny an application for an original permit; or may deny an application to renew a permit, based on: (1) the frequency of any repeated violations; (2) whether a violation was committed intentionally or knowingly; and (3) any other information that demonstrates the degree to which the owner or occupant has endangered public health, safety, or welfare. No new permit may be sought for the subject property for a period of twelve (12) months following the denial or revocation pursuant to this section.
