			On February 10, 2026, at approximately 1432 hours, I, Officer Nelson #133, along with Officer Taube #161, was dispatched to a silent panic alarm at a business located in the 1700 block of S. Main St., Weatherford, Texas. Upon arrival, I made contact with an employee of the business who advised he activated the panic alarm due to a customer who had stolen alcoholic beverages and was panhandling in the parking lot. I observed a female matching the provided description by the employee attempting to enter the front doors of the business. I made contact with the female, later identified as Susan Blair (w/f 66 YOA). Based on my observations, I believed Blair was intoxicated to the degree that she posed a danger to herself or others. Due to her level of intoxication and her presence in the parking lot near vehicle traffic, I believed that if left unattended, she could have been struck by a vehicle or created a traffic hazard. Based on the totality of the circumstances, Susan Blair was placed under arrest for Public Intoxication and transported to the Parker County Jail without incident. An arrest report was made. Nothing further.
